« Les Clos de Beauté » VINÉSIME treatments

For the first time in its history, Burgundy offers the power and botanical richness of its legendary vineyards listed on the Unesco World Heritage to the world of beauty, inventing skincare as precious as its exceptional wines.

From its prodigal nature, Vinésime develops vintage cosmetic extracts from prestigious vineyards, and combines them with the remarkable Burgundy blackcurrant extract to form an exclusive complex with precious, synergistic properties for stronger skin with incomparable radiance and enhanced beauty.

Loyal to the spirit of tradition and art de vivre that has shaped the history of Burgundy over time, our products are developed with extracts obtained from organically-farmed lands and natural ingredients, in an uncompromising quest for effectiveness combined with ultimate well-being.

Our products symbolize the harmony between man and nature, and our respect for natural cycles and traditional know-how. They reflect the values of our region and our deep attachment to authenticity, provenance and quality.

Welcome to a world ruled by the seasons and vintages forged by the unique Climates of Burgundy. A world in which each product treats your senses to an exceptional experience, capitalising on the best that a unique terroir and producing estate have to offer, a world where the journey of the senses comes into its own.

Welcome to Burgundy.
